

THE BAPATLA COLLEGE OF ARTS & SCIENCES :: BAPATLA

QUALITY PARAMETERS

The college is strictly adhered to its policy of providing quality education to the weaker and downtrodden sections of the Bapatla surrounding areas. To achieve this policy the college has constituted Internal Quality Assurance Cell with Principal as Chairman, one senior lecturer as Co-ordinator and some Senior teaching staff, eminent personalities of the society from different fields, one or two students as members. This committee will prepare an Action plan of the Institution with a mission imparting quality education. The IQAC will meet frequently and monitor the implementation of the same.

All the departments also prepare a plan of action for that academic year in accordance with the master plan of the institution. They will plan their curriculum including Teacher centric, student centric teaching, learning methods. Our college is having LMS podium, LCD projectors, multi-media equipment. Classes will be conducted with the aid of these ICT tools.

Students performance will be monitored regularly by organizing home exams. Students will be grouped in to slow learners, moderate learners and advanced learners based on their performance in home exams. Special care will be taken on slow learners to make them better in concern subject. Students are encouraged to participate in various academic, co-curricular and extracurricular activities for overall development of students. All the grievances of the students will be redressed by Grievance and Redressal cell. Students are counselled in selection of proper courses. Students are trained in personality development through Jawahar Knowledge Centre and AP State Skill development Corporation at free of cost. Campus drives will be conducted to provide employability opportunity to the qualified students.
